

struct_functions.h

```
graph BT; file_gestion.c --> struct_functions.h; main.c --> struct_functions.h
```

A diagram illustrating file dependencies. At the top is a grey rectangular box labeled 'struct_functions.h'. Below it are two white rectangular boxes: 'file_gestion.c' on the left and 'main.c' on the right. Two blue arrows point from the top of 'file_gestion.c' and the top of 'main.c' towards the bottom of 'struct_functions.h', indicating that both source files include this header file.

file_gestion.c

main.c
